Finders keepers, uhhhh
listen this is getting old
being braver than you
feels like I'm sellin' my soul

name me than shame me
take my pride, uhhh
you'll never win me over
I'm on my own side

breaking waves, changing names
crashing crystal ashtrays

I'm over today
I'm over you
I'm over yesterday
even if tomorrow comes too soon

baby, break me, yeah,yeah
take me, leave me, I don't care
you can't underestimate me
only I can make you see

spin my carussell forward
take a look inside here
this is my personal circus
only I can see this clear

breaking waves, changing names
crashing crystal ashtrays

I'm over today
I'm over you
I'm over yesterday
even if tomorrow comes too soon

Finders keepers, yeahehay

breaking waves, changing names
crashing crystal ashtrays

I'm over today
I'm over you
I'm over yesterday
even if tomorrow comes too soon
