So you're still running from the girls  
Just like you did when you were small  
They were cruel  
Big sister big, big sister strong.  
But that's not really what you (??)  
Oh, oh, oh  
{Chorus}  
Don't you want to know  
What it would be like  
To look the way you feel,  
The way you feel inside.  
And in this race, it gave a chase  
That noone wins, no finish line.  
If you get caught, you hold your tail between your  
knees.  
Maybe you say things  
That you don't really mean.  
{Chorus}  
Lying to yourself  
Painting pictures of yourself  
Did you find  
Another place to hide?  
So you're still running from the girls  
Just like you did when we were kids  
They were mean,  
Big sister big, big sister strong  
Don't want your friends to see you  
Holding your hand  
{Chorus}  
Don't you want to know  
What it would be like?  
What's it like to look the way  
You feel inside?  
So what's it like to look the way  
You feel inside?  
So what's it like to look the way  
You feel inside
