Alone again, alone again
Alone again, you've been avoiding me
You've been ignoring me
Oh, what did I do to deserve all this from you?

You make yourself so hard to find
Is this your way of saying goodbye?

I didn't know, I didn't know
I didn't know

You've been ignoring me
You've been avoiding me
Oh, what did I do to deserve all this from you?

You make yourself so hard to find
Is this your way of saying goodbye?

Are you so lame?
Are you so lame?
Are you so lame?
Are you so lame?

Are you so lame?
Are you so lame?
Are you so lame?
Are you so lame?

I didn't know, I didn't know
I didn't know, I didn't know
I didn't know, I didn't know
I didn't know, I didn't know
I didn't know
