Monday  
Sunshine  
So high  
Its hard to see  
Through the  
Sunday  
Clouds still  
Lingering  
How you wound up in the sea

Spinning above  
While burning inside  
Further you go  
And deeper you dive  
Don't mean to deceive  
But it's they who believe  
They fall in love  
With the girl they perceive  
Not you

Blind them  
With kindness  
Until they are reminded  
The lonely and desperate  
And you have a secret  
Somethin that they all think they need

Spinning above  
While burning inside  
Further you go  
And deeper you dive  
Don't mean to deceive  
But it's they who believe  
They fall in love  
With the girl they perceive  
Not you

They see what they want in you  
They get what they need from you  
They take advantage of you  
They would be nothin without you  
Without you

So blind them  
With kindness  
Until they are reminded

Spinning above  
While burning inside  
Further you go  
And deeper you dive  
Don't mean to deceive  
But it's they who believe  
They fall in love  
With the girl they perceive  
Not you

They see what they want in you  
They get what they need from you  
They take advantage of you  
They would be nothin without you  
Without you
