Hello

So now I know you have to say  
What's on your little mind  
And I always have to hear from someone  
All your stupid lies

Come on now and look at me  
You'll see I'm okay  
Story time now, time for you  
Show your shallow existence

It doesn't add up too much  
Your junior insecurity

So now I know you have to say  
What's on your little mind  
And I always have to hear from someone  
All your stupid lies

Come on now and look at me  
You'll see I'm okay  
Story time now, time for you  
Show your shallow existence

It doesn't add up too much  
Your junior insecurity

Now I see that  
Now I see that  
Now I see that  
You're afraid

Now I see that  
Now I see that  
Now I see that  
You're afraid

Now I see that  
Now I see that  
Now I see that  
You're afraid of me

[Incomprehensible]
