What's that feeling that I get?
My heart is drowning in regret.
Hands are shaking, eyes are full of shame.
Lost myself, but I don't care,
I'm going but I don't know where.
My feet are taking me away from you.

Only you .. only you..
My beautiful dream, I loved you
Only you .. only you
You gave me your heart /x2

I have no reason now to stay,
But I will think of you and pray
That you will find someone to love again.
I'm leaving and I won't come back
You'll find your way, you'll be alright,
But promise me you won't forget my name.

Only you .. only you..
My beautiful dream, I loved you
Only you .. only you
You gave me your heart. /x4

You gave me your heart.
You gave me your heart.
