Ooooooooooh Ooooooooooh

Verse I

There's nothing I'd rather do than to wake up next to
you

Kissing your face, seeing you smile

Maybe we should stay in bed a little while longer

Locked in your arms my heart pounds like a drum

I can feel your heartbeat like it's a part of me

This sensual romance got my secret thoughts
enhanced

I feel so free

Chorus

Feeling the sun smiling on us

Adoring your touch I love you so much

Nothing could ever take this feeling away

Beautiful Day

Oh Ooooh

Verse II

Ooooooooooh Ooooooooooh

Romantic excursions through the park

Watching the sun fall down into dark

Nurturing my body, my mind, and my heart

You tell me that you love me

Keep telling me, yeah yeah

Chorus

Bridge

I remember the day when I fell for your heart

It was hard to believe that I could find love again

Hurt and alone for so long I was scared

To take a chance wanted all my time to be

Spent on me. 'Cause I believed

That I'd be fine all by myself

Now I know, since love has finally found me,

You put your arms around me and changed my life

There's nothing I'd rather do (ooooh ooh ooh ooh
oooooh...)

Than to wake up next to you (next, next, next, next,
next...)

Beautiful Day, beautiful day, beautiful day, beautiful
day, beautiful day, day, day
Ooh Ooooh Ooooh Ooooh Ooooh Beautiful

Beautiful Day, beautiful day, Beautiful day, beautiful
day
(There's nothing I'd rather do, than to wake up next to
you)

Beautiful Day, beautiful day, Beautiful day, beautiful
day
(Seeing you smile maybe we should stay in bed a little
while)

Beautiful Day, beautiful day, Beautiful day, beautiful
day
(There's nothing I'd rather do, than to wake up next to
you)

Oh oh oh beautiful day

Ooh ooh
