yeahhhh

it feels like another midsweet summer right,
uh huh, theres a lot of girls out here,
you know what don't worry about them.

B-somebody

This ain't about nobody but you
this is your song,
I've seen a lot, nobody like you,
this is your song,
the ones that this was about them,
huh, they thought wrong,
this is your song,
this is, this is your song.

You are the prettiest diamond,
stars I've seen a million risin,
your the only one shimmering, shining,
mad how you got me feeling so vibrant,
but wait I'm a tad confused,
who's this mad dude in a bad mood,
what's up fam? oh she your girl,
man I got some real bad news,
I make her go weak and shiver,
I take her out eatin dinners,
that boy sam he deliever's,
and that boy sam he's a winner,
and thats why you'll see me with her,
doin it big now even bigger,
so if you don't do as her man,
thats a plan you'll have to re-consider.

Coz I think I love your lady
I think I love your lady
she says I drive her crazy
I think I love your lady
forget this guy

This one is all about you
so why is this man up in my grill
He shoulda been told if he cudn't do whats needed,
someone else will

This is ur song
You're the one I wanna call
you're the mattress I wanna fall on
Miss me yet , let me get my plan correct
miss u let .. you're the best a man can get
Your worth it I'll change ur dreams
I dont make up nuttin maybelline
Straight up .. u can range the dream
its king khan .. n ur my favourite queen

You're the future .. so it aint some arrow,
cupid hit me with a lazer beam
you've got the cutest face I've seen
Tell ur man .. I dnt mean to make a scene
But ..

I think I love your lady
I think I love your lady
she says I drive her crazy
I think I love your lady

This ain't about nobody but you
this is your song,
I've seen a lot, nobody like you,
this is your song,
the ones that this was about them,
huh, they thought wrong,
this is your song,
this is, this is your song.

Lets flip ..
is that your lady ? (yup)
Why did does she keep on belling me? (what)
Charlie, I love you
That what she keeps on telling me
I know that shes got a man
But I dont give a damn
And he knows where I am
If he wants to make an enemy
This aint love, its lust
How am I to trust?
A girl that cheats, I leave as soon as I have fucked
Theres no point in fighting
Drawing for our weapons
You can have ur girl backk now
shes sloppy seconds

I think I love your lady
I think I love your lady
she says I drive her crazy
I think I love your lady

Yhhh
so the moral of the story is
fellas ... treat your girl ryt
Ladies ... dont become an object
Be Someone
