If I give up on you I give up on me  
If we fight what's true, will we ever be  
Even God himself and the faith I knew  
Shouldn't hold me back, shouldn't keep me from you  
Chorus:

Tease me, by holding out your hand  
Then leave me, or take me as I am  
And leave our lives, stigmatized  
I can feel the blood rushing through my veins  
When I hear your voice, driving me insane  
Hour after hour day after day  
Every lonely night that I sit and pray

Chorus:

We live our lives on different sides  
But we keep together you and I  
Just live our lives, stigmatized  
We'll live our lives, we'll take the punches every day  
We'll live our lives I know we're going to find a way

I believe in you  
Even if no one understands  
I believe in you, and I don't really give a damn  
If we're stigmatized  
We live our lives on different sides  
But we keep together you and I  
We live our lives on different sides

We're gonna live our lives  
Gotta live our lives  
We're gonna live our lives  
We're gonna live our lives, Gonna live our lives,  
stigmatized
