So lately, been wondering
Who will be there to take my place
When I'm gone you'll need love to light the shadows on
your face
If a great wave shall fall and fall upon us all
Then between the sand and the stone, could you make
it on your own
Chorus:
If I could, then I would
I'll go wherever you will go
Way up high, or down low, I'll go wherever you will go

And maybe, I'll find out
A way to make it back someday
To watch you, to guide you
through the darkest of your days
If a great wave shall fall and fall upon us all
Then I hope there's someone out there
who can bring me back to you

Chorus:
Run away with my heart
Run away with my hope
Run away with my love

I know now, just quite how
My life and love must still go on
In your heart, in your mind, I'll stay with you for all of
time

Chorus:
