Flights on me
Nobody is here
The moon and I
We're dancing
..night
You are in disguise
My cloud
.. reading this
Red cream you are
As tricky as a lie
You drive me blind
Can I fall?
Can I fall?
Every .. light
Covers the sky

Leap into the dark
I can't stop
And I land here
My new dream
Lonely dreams
.. arms
Block my way
I cannot pass
Here I am
.. and afraid
Make it leak
.. and my skin
Red cream you are
As tricky as a lie
You drive me blind
Can I fall?
Can I fall?

Fairytale light
Covers the sky
Over the moon
Leap into the dark
Like is now the first time ,
(repeats)
And I land here

My new dream
