I woke up late at night
With Draco not in my arms
I didn't know what to think
So I decided to search for him
I was shocked by what I found
I couldn't believe my eyes
How could the two men I've ever loved
Do this to me

I caught him in the act
A lusty embrace with Harry Potter
I couldn't believe what I saw
In that empty corridor
I thought he loved me lots
But I guess that was all just in my head

I'm not ready to give him up
I refuse to give him up
He's all I ever wanted
He's all I ever had
He and Potter may have swapped spit
But maybe it was just that once
I guess I'll just have to live my life
Ruled by secrecy

I caught him in the act
A lusty embrace with Harry Potter
I couldn't believe what I saw
In that empty corridor
I thought he loved me lots
But I guess that was all just in my head

I guess that's all that I can do
Is pretend it didn't happen
Draco's been happier as of lately

And I just cannot bear
Losing another love so great
I'll let him and Harry snog
When I'm asleep at night
I'll just live obliviously

I caught him in the act
A lusty embrace with Harry Potter
I couldn't believe what I saw
In that empty corridor
I thought he loved me lots
But I guess that was all just in my head
