Maula mere, maula mere maula mere, maula mere - 4
aankhein teri - 2, kitni haseen
ki inkaa aashiq, mein ban gayaa hoon
mujhako basaa le, iname tu
(ishq hai
maula mere, maula mere maula mere, maula mere - 2) - 3

ki inakaa aashiq, mein ban gayaa hoon
mujhako basaa le, iname tu

mujhase yeh har ghadi, meraa dil kahe
tum hi ho usaki aarzoo
mujhase yeh har ghadi, mere lab kahe
teri hi ho sab guftagoo

baatein teri itni haseen, main yaad inko jab kartaa hoon
phoolon si aaye, khushaboo

rakh loon chhupaa ke main kahin tujhako
saayaa bhi teraa naa main doon
rakh loon banaa ke kahin ghar, main tujhe
saath tere, main hi rahoon
julfen teri, itni ghani
dekh ke inako, yeh sochataa hoon
saaye me, inake main jiyoon
(ishq hai
maula mere, maula mere maula mere, maula mere - 2) - 3

(meraa dil yahi bolaa, meraa dil yahi bolaa,
yaara raaj yeh usane hai mujh par kholaa
ki hai ishq mohabbat, jiske dil mein
usko pasand karta hai maulaa) - 3
