Sometimes I drive so fast
even I get scared
Some things they never last
Where's the love we shared?
Is it dead?
I guess I'll never learn
how to keep a man
Knowin' when my back is turned
he'll do what he can
to love another woman woooooo

CHORUS

I was
captivated by your smile
motivated for a while Was it wishful thinkin'
that you would be sincere
That you would be...
captivated
Yes, I know I drive too fast!
Yes, I'm easily led!
Knowin' that won't change the past
even... even when I'm dead

Woh Oh

Captivated, captivated woooo

Captivated ooooo woh ooooo (repeat)

Captivated by your smile
