VERSE 1:

If I believed in paradise, I'd swear I must be there

I'd swear I must be there right now with you

If I believed in miracles, I'd know that one was
happening to me

But if I don't believe in paradise, and miracles aren't
real

Then someone tell me what is this I feel

CHORUS:

I wanna believe in love this time

I wanna believe my heart's not telling me a lie

But with you I can't deny

If I believed in paradise, I'd swear...I'm there

VERSE2:

If I believed in magic spells, it all would be so clear

A magic spell must have brought you here

If I could see the future, I'd see if you and I were meant
to be

But I don't know any magic, and tomorrow's just a
dream

But something in this fantasy is real

CHORUS:

I wanna believe in love this time

I wanna believe my heart's not telling me a lie

----- (Key change, +1/2 step)

I wanna believe it's love

I wanna believe my heart's not telling me a lie

But with you I can't deny

If I believed in paradise, I'd swear...I'm there

I'm there...I'm there

If I believed
