Money can't buy love  
And love is uncomprable  
Except for me I'll be all in the club  
Taking shots to ease my sorrow  
I'll be taking shawty down I don't even know her name  
Well karma is a bitch riding lesson in my brain  
Every night a different girl, No lie though they're the  
same  
Shawty I can't sleep  
Tired of these ambien nights nights nights nights,  
nights nights  
Tired of these ambien nights nights nights nights  
Shawty I can't sleep  
Tired of these ambien nights nights nights nights,  
nights nights  
Tired of these ambien nights nights nights nights  
Shawty I can't sleep  
I need an ambien  
I keep doing the same shit  
Over and over  
What the fuck is wrong with me  
since money can't buy love  
can I trade my fucking fame in  
'Cause this girl that I'm leaving with  
aint the same shawty I came with  
I be taking shawty down I don't even know her name  
Well karma is a bitch riding lesson in my brain  
every night a different girl, no lie though they're the  
same  
Shawty I can't sleep  
Tired of these ambien nights nights nights nights,  
nights nights  
Tired of these ambien nights nights nights nights  
Shawty I can't sleep  
Tired of these ambien nights nights nights nights,  
nights nights  
Tired of these ambien nights nights nights nights  
Shawty I can't sleep  
I need an ambien  
I need an ambien  
Shawty I can't sleep

I need an ambien
