## "Body Rock"

Visit "[Body Rock](#)" on [MotoLyrics.com](#)

[intro]

If you see a pretty girl point her out  
And say let me rock you  
If you see a pretty girl point her out  
And say let me rock you

[Verse1]

She's swagging, she's surfing  
The way she moving that thing, she got me open  
I see her, she's sees me  
The way she moving and grooving like its for TV

[pre-chorus]

Baby dont stop it, baby just keep it right there  
The way that you got me shawty i swear it aint fair  
Baby dont stop it, baby just keep it right there  
The way that you got me shawty i swear it aint fair

[chorus]

Make that body rock  
make that make that body rock  
make that body rock  
make that make that body rock  
Get it on the floor  
get it on the floor  
get it on the floor  
get it on the floor  
Make that body rock  
make that make that body rock  
make that body rock  
make that make that body rock  
do it like a pro  
do it like a pro  
do it like a pro  
(get get get it on the floor)

[verse 2]

uh oh its jumping, we feeling free  
she hit a two step, i did my dougie  
i'm fresh now, i turned my swag on  
shawty we vibing, she said boy thats my song

[pre-chorus]

Baby dont stop it, baby just keep it right there  
The way that you got me shawty i swear it aint fair  
Baby dont stop it, baby just keep it right there  
The way that you got me shawty i swear it aint fair (o0o)

[chorus]

Make that body rock  
make that make that body rock  
make that body rock  
make that make that body rock

Get it on the floor  
get it on the floor  
get it on the floor  
get it on the floor

Make that body rock  
make that make that body rock  
make that body rock  
make that make that body rock

do it like a pro  
do it like a pro  
do it like a pro  
(get get get it on the floor)

[hook]

hey lil mama go and swag it out and make that body  
rock

make that body rock, make that body rock

hey lil mama go and swag it out and make that body  
rock

make that body rock, make that body rock

hey lil mama go and swag it out and make that body  
rock

make that body rock, make that body rock

hey lil mama go and swag it out and make that body  
rock

make that body rock, make that body rock

[re-intro]

If you see a pretty girl point her out

And say let me rock you

If you see a pretty girl point her out

And say let me rock you

[chorus]

Make that body rock  
make that make that body rock  
make that body rock  
make that make that body rock

Get it on the floor  
get it on the floor  
get it on the floor  
get it on the floor

Make that body rock

make that make that body rock  
make that body rock  
make that make that body rock  
do it like a pro  
do it like a pro  
do it like a pro  
(get get get it on the floor)

Make that body rock  
make that make that body rock  
make that body rock  
make that make that body rock  
Get it on the floor  
get it on the floor  
get it on the floor  
get it on the floor  
Make that body rock  
make that make that body rock  
make that body rock  
make that make that body rock  
do it like a pro  
do it like a pro  
do it like a pro  
(get get get it on the floor)
