[Intro]

Sammie Baby

Give me your number, so baby i can call yea [x3]

Give me your number, give me your

[Chorus]

You look so good, make me wanna say

Come and get down with me baby

Got a nice little body and a cute little face

Come and get down with me baby

Baby dont be scared, shawty swing my way

Come and get down with me baby

I choose you and if you choose me

Come and get down with me baby

[Verse 1]

I can look at you like all day

We can stay here like always

If its just a game shawty all play

If you think im joking look at my face

You want it, Im Wit It, You say it, Im in it

I promise it can be all yours

Im sayin if

You want it, Im Wit It, Just say it, Im in it

I promise it can be all yours

[Chorus]

You look so good, make me wanna say

Come and get down with me baby

Got a nice little body and a cute little face

Come and get down with me baby

Baby dont be scared, shawty swing my way

Come and get down with me baby

I choose you and if you choose me

Come and get down with me baby

[Verse 2]

Know if you got a boyfriend, where he at

I would neva eva leave you with that

Cause you too fine baby mat of fact

Give me your number and ill holler back

You want, Im Wit It, You say it, Im in it

I promise it can be all yours
Im sayin if
You want, Im Wit It, Just say it, Im in it
I promise it can be all yours

[Chorus]

You look so good, make me wanna say
Come and get down with me baby
Got a nice little body and a cute little face
Come and get down with me baby
Baby dont be scared, shawty swing my way
Come and get down with me baby
I choose you and if you choose me
Come and get down with me baby

[Outro]

Sammie Baby
Give me your number, so baby i can call yea [x3]
Give me your number, give me your

[Chorus]

You look so good, make me wanna say
Come and get down with me baby
Got a nice little body and a cute little face
Come and get down with me baby
Baby dont be scared, shawty swing my way
Come and get down with me baby
I choose you and if you choose me
Come and get down with me baby
