[Verse 1]

Oh no no

I know you think it ain't my place, to say how I feel
but I'm going to say it anyway, cause I gotta keep it real
I know you're tired of tryin..to make it be something ot's
truely not (truely not)

Girl it kills me everyday to see you in tears
and it amazes me the way you put up all these years
You be tweaking, tryna make it work (make it work)
But you keep ending up hurt, oh baby listen to me.....

[Chorus]

You don't have to wait, I can ease yo pain
You don't have to be left out in the rain
Don't you say you fed up, tired of the love
whatever you need, I got it, Come with me
You don't have to stay up, waitin by the phone
You don't have to ever feel like you're alone
Don't just say you're fed up, tired of love
whatever you need, I got it, come with me.

[Verse 2]

You're the type that always said, you don't need a man
Who's gonna make you're heart stop, over and again
And now you're telling me that you're ok (High)
But you don't realize you're getting more pain than
gain, (ya ya)
And I ain't never been, the kind to steer you wrong

If you trust me as your friend then trust me with your
heart girl

It don't take alot to understand, you need yourself
another man (Woah ohh oh)

[Chorus]

You don't have to wait, I can ease yo pain
You don't have to be left out in the rain
Don't you say you fed up, tired of the love
whatever you need, I got it, Come with me
You don't have to stay up, waitin by the phone
You don't have to ever feel like you're alone
Don't just say you're fed up, tired of love

whatever you need, I got it, come with me.

[Breakdown x4]

Don't give up girl (Don't give up girl) [x3]

You don't have to do it baby [Repeat]

[Chorus]

You don't have to wait, I can ease yo pain

You don't have to be left out in the rain

Don't you say you fed up, tired of the love

whatever you need, I got it, Come with me

You don't have to stay up, waitin by the phone

You don't have to ever feel like you're alone

Don't you say you're fed up, tired of love

whatever you need, I got it, come with me.

Oh baby, don't give up on love shawty, because I'm
here, I'm here....
