Yea, yea, yea uhh  
yea uhh uhh  
Listen

[verse 1]  
I gotta problem  
And I think I need some help cuz  
I'm in love with a girl  
Thats kinda messed up  
Because I know I ain't the man that I need to be  
But at the same time  
I know I gotta get right  
I'm sick and tired of club hopping every other night  
But I swear these girls they be hunting me

[hook]  
Not tryin to live no excuse  
Rather keep it real with you  
You're the only one I choose  
But since actions speak louder than words  
I'll try the best way I know  
Give me time to prove you so  
In the space I need to grow  
But baby I will guarantee

[chorus]  
If you stick with me  
I promise  
Imma get right, Imma get right  
Please girl dont leave  
I promise  
Imma get right, Imma get right  
If you would believe  
that you could put ya trust in me  
And I will be all you need  
I promise  
Imma get right, Imma get right

[verse 2]  
Girl if you dont understand  
I respect that

It aint ya fault that ya caught  
And I hate that  
It was never my intentions going to do wrong  
What doesnt break us up makes us stronger  
Baby I know you can't take it much longer  
And the last thing I want  
Is for you to move on...
