OhÂ...yeahÂ...

Oh, yeah, hey, yeah, yeah

Oh, oh, oh

I'll put you in the fliest gear making sure you're tight
Perpetrating making you think everything's alright
Call you on my cell phone, baby, even on peak time
The crazy things I do for love
Flossin', baby, acting like the money ain't a thang
Only if you promise, girl, that you ain't tryna game
Kiss me, girl, and I'll spend every dollar to my name
The crazy things I do for love

Movies, hanging out, spending time
Anything my girl wants
Phone calls, I love you cards
Shopping malls, nothing's ever too much
I know I can't afford it, baby
But I do the best I can, lady
Cause you're my everything
One day you'll wear my ring
I'll do it all for you, oh, baby

I'll put you in the fliest gear making sure you're tight
Perpetrating making you think everything's alright
Call you on my cell phone, baby, even on peak time
The crazy things I do for love
Flossin', baby, acting like the money ain't a thang
Only if you promise, girl, that you ain't tryna game
Kiss me, girl, and I'll spend every dollar to my name
The crazy things I do for love

In the park having fun
Then what's up, my baby, gotta look good
Roses, cause I care
And I'll be there
Cross my heart, I swear
I know I can't afford it, baby
But I do the best I can, lady
You're my everything
One day you'll wear my ring
I'll do it all for you, oh, baby

I'll put you in the fliest gear making sure you're tight
(ohÂ...)
Perpetrating making you think everything's alright
(alright, yeah)
Call you on my cell phone, baby, even on peak time
The crazy things I do for love (the crazy things I do for
love)
Flossin', baby, acting like the money ain't a thang
(thang)
Only if you promise, girl, that you ain't tryna game
(You ain't tryna game, girl)
Kiss me, girl, and I'll spend every dollar to my name
The crazy things I do for love

Girl, I'm so open and I'm hoping
That you know just
All the crazy things I'd do for loveÂ...

I'll put you in the fliest gear making sure you're tight
Perpetrating making you think everything's alright
(yeah)
Call you on my cell phone, baby, even on peak time
The crazy things I do for love (oh, baby, hey)
Flossin', baby, acting like the money ain't a thang
Only if you promise, girl, that you ain't tryna game
(Tryna game, baby, hey)
Kiss me, girl, and I'll spend every dollar to my name
The crazy things I do for love

I'll put you in the fliest gear (oh, yeah, yeah, yeah)
Making sure you're tight
Perpetrating making you think everything's alright
(alright, yeah)
Call you on my cell phone, baby, even on peak time
The crazy things I do for love (crazy things I do for
love)
Flossin', baby, acting like the money ain't a thang
Only if (oh, yeah) you promise, girl
That you ain't tryna game (no play no game)
Kiss me, girl, and I'll spend every dollar to my name
The crazy things I do for love (oh, crazy things)

I'll put you in the fliest gear (oh, yeah, yeah, yeah)
Making sure you're tight
Perpetrating making you think everything's alright
Call you on my cell phone, baby, even on peak time
The crazy things I do for love
(The crazy things I do for love)
