For all you've done
Lord I wanna thank you
For all you've done (for all you've done)
Ooo thank you for waking me up this morning (for all
you've done)
And carryin me on my merry way (I wanna thank you)
Thats why I wanna say thank you Lord
I said thank you Lord
Ooooooo
I wanna thank you yea (for all you've done)
Hey thank you for helpin me (for all you've done)
When time get rough and I feel like I can't go on (I
wanna thank you)
You gave me strength, yea, alright
Said I wanna say thank you Oooo
Come on somebody, yea (for all you've done)
Thanks for the blessings that you've given me (for all
you've done)
Alright, thank you for the unconditional love (I wanna
thank you)
I wanna say thank you
