Verse One:

I was up in the hood  
Down at my boys house  
It was the summer time  
When everyone was hangin' out  
Down at the corner store  
We had the best of times  
Yellin' bingo at every card that came to mine  
Chorus:

I know that I have been trained  
And I know how it feels to believe  
That I was gonna make it  
OHHH OHHH YEA  
From the bottom to the top  
I got em in Miami

OHHH OHHH Yea  
From the bottom to the top  
I got em' In my hands  
Verse 2

It happened so fast  
I can't believe it last  
I headed to the ATL just to hear the sound  
To go with dallas and  
He had a record plan  
That JT Money said where my youngin at

I know that I have been trained  
And I know how it feels to believe  
That I was gonna make it  
OHHH OHHH YEA  
From the bottom to the top  
I got em in Miami

(Rap JT Money)

Where you see it's where the base drop  
Where the girls in the tempa just stay hot  
That bottom where the base game started

And the girls shake they thang ho' hearted  
In Miami baby 48 carrots  
Straight thug when it don't be happenin'  
Old school on the fish and the chumps  
Lettin' out playin old school funks  
Big Sammie put it down for the bottom  
Fly hunnies want money we got em' (oh yea)  
What you know about that Miami heat (huh)  
Find hot street wear all in the street  
A place where the old stuff retreat  
Where they move to an up tempo beat  
You know this thang don't stop  
Sammie commin' from the bottom strat to the top  
For Sure
