Gettin em, gettin em, getting em
Gettin em, gettin em, getting em
Gettin em, gettin em, getting em

I said baby I'm ready I got work on the
Still I got a maid like I stayed at the telly!
OK, I know that you fear me
I won't come down 'till you feel it
Put your back in the flow, put your feet in the city!
No you know I'm reel it gotta handle my business
You got your girl all alone, I pay a cunt
You know my campaign, I support strippers
Got a table of own I use ...
Hey, I've been on my job, and i switch the position
Yeah, I got my hands up and it's just the beginning!
You say you do it, I did it, and you know that I'm with it
I got a bitch in your city, they got a bitch in your city!

I stop in the club
Everywhere I go 'em bitches won't
These niggers yeah they be..
Cause they see you popping bottles, but they ain't
sipping!
I just pa it to that red bomb right beside me
She pas it to that cutie that we met right in the lobby
Yeah, my hotel, take you back to my hotel
..says she wanna see my hotel!

Chorus:

Gotta a nigger like hey oh, hey oh
Let's a bottle so we can have a little fun!
Got a nigger like hey oh, hey oh
..cause I'll be
Gettin em, gettin em, getting em
Gettin em, gettin em, getting em
Gettin em, gettin em, getting em
I'll be gettin em girls, yeah!
Gettin em, gettin em, getting em
Gettin em, gettin em, getting em
Gettin em, gettin em, getting em

They say they don't,
But I know they will, so squeeze in these two seat
And baby let's feel!
She says she wanna have fun
And her friends do too
â€¦shots of tequila make her do what she do!
..we're heading back to the condo, head it back to my
baby
..we gonna be like a Congo!
Yeah, yeah, yeah we rode like..
When we down we want some more
..my attention, since I saw you on the floor!

Chorus:

Gotta a nigger like hey oh, hey oh
Let'sâ€¦ a bottle so we can have a little fun!
Got a nigger like hey oh, hey oh
..cause I'll be
Gettin em, gettin em, getting em
Gettin em, gettin em, getting em
Gettin em, gettin em, getting em
I'll be gettin em girls, yeah!
Gettin em, gettin em, getting em
Gettin em, gettin em, getting em
Gettin em, gettin em, getting em

I see 'em girls, addicted girls,
And when I leave, best believe I ain't leaving alone!
I know it might sound crazy, but I'm..
She got that ass on it
And I want her, I want her!
Yeah! I get my niggers, we get 'em figures
..what 'em girls like, that's why we get 'em, get 'em!
I know 'e boys mad, but whyâ€¦

Chorus:

Gettin em, gettin em, getting em
Gettin em, gettin em, getting em
Gettin em, gettin em, getting em
..I'll be popping for show!
I'll be gettin em girls, yeah!
I'll be gettin em girls, yeah!
I'll be gettin em girls, yeah!
Gettin em, gettin em, getting em
Gettin em, gettin em, getting em
Gettin em, gettin em, getting em
