I met you at the A.U.C  
That's why I'm in this belief  
We were about to graduate  
Keeping on G.P.A  
Girl you seem so innocent(eh)  
We even used to go to church  
Just to make the matters worst, you even met my mom  
your the first girl  
But it doesn't matter now because

(CHORUS)

You did the same thing to me  
That you did with Trey,  
J-Holiday,  
Bobby Vee,  
Pleasure P (damn)  
You was gettin it, really gettin it  
You did the same thing to me that you did with Lloyd  
You did with Chris  
and Ne-Yo but i didn't know that  
You was gettin it

I can't believe  
That your loving me  
and messin with him 2, him 2, him 2  
and I can't believe  
You did that to me  
and you did it with him 2, him 2, him 2  
Miss R&B

I know from the start  
That you would come and break me down  
I'd be looking like a clown  
I knew that you would mess around  
How could I be so foolish girl?  
I never would've gave you my heart  
Never would've kept you around  
Never would've held you down  
Know we can't work it out  
All because

(CHORUS)

You did the same thing to me  
That you did with Trey,  
J-Holiday,  
Bobby Vee,  
Pleasure P (damn)  
You was gettin it, really gettin it  
You did the same thing to me that you did with Lloyd  
You did with Chris  
and Ne-Yo but i didn't know that  
You was gettin it

I can't believe  
That your loving me  
and messin with him 2, him 2, him 2  
and I can't believe  
You did that to me  
and you did it with him 2, him 2, him 2

Miss R&B  
Yeah (x13) and repeat

Miss R&B yeahhhhhhhhhh

When i first met her  
She was sweeter then cinnamon  
How was i suppose to know she's been gettin it with  
many men  
She's so intellectual way past sexual  
Lovin me so we can consider foolish let's just let her go  
Now I'm lookin crazy, cuz my baby out here gamin me  
Tellin me she love me but it's clear'sh day that fantasy  
That she's been body rocking him and him from A-Z  
Damn I love ya shawty, but you busy lovin R&B

That I was the only one(one)(x2)

(CHORUS)

OHHH  
I can't believe  
That your lovin me  
and messin with him 2, him 2, him 2  
and I can't believe  
You did that to me  
and you did it with him 2, him 2, him 2
