(Chorus)

Girl I love you
And I would never hurt you,
Though I don't deserve you... gurrl...
Girl I need you,
Promise to never leave me you make my life easy,
Believe me,
Â...I adore youÂ...
You're everything I need girl,
You make me complete my... ohh...
And there's nothing in this world that I wouldn't do
for youhh

And baby girl I,
Never felt this way before,
And I tried but... (Huh)
These feelingsÂ...
I can't ignore,
And when I chill with you (huh)
I seem to like you more,
Girl your one of a kind for sure,
It's the way you talk... makes everything okay,
And when the clouds are dark... you brighten up my
day,
And I'm so grateful
I just have to sayÂ...
I appreciate youh

(Chorus)

Girl I love you
And I would never hurt you,
Though I don't deserve you... gurrl...
Girl I need you,
Promise to never leave me you make my life easy,
Believe me,
Â...I adore youÂ...
You're everything I need girl,
You make me complete my... ohh...
And there's nothing in this world that I wouldn't do
for youhh

And darling I would,
Walk the desert sands,
For a chance to...
Â... A chance to hold your hand,
And I would swimÂ...
Â...The depths of the blue sea,
I would do bout anything just to have you next to me,
Anything you want
Anything you need
Baby girl
Â... Just ask...
I can do the world...
All that it takes to make this feeling last,
You mean the world to me to me
Your everything a man could ask,
Baby I swear it's true
(ThatÂ's why I love youuh)

(Chorus)

Girl I love you
And I would never hurt you,
Though I donÂ't deserve youÂ... gurrl...
