[Verse #1]

I thought we was the same
Baby had the same mind
You and me in game
Baby at the same time
It took a while to love you
but I had to make you mine
Glad I found someone thats right
But then I started hearin rumors
and I didn't like their sound
Said you had another life
way cross town
I put a lot of honesty and trust into you
And now I'm really thinkin bout all girls I lied to

[Chorus]

A lie don't care who tell it, baby
All this time I thought you was my lady
I try to be without but it drives me crazy
The only thing that I can do

I gotta let it ride, let it ride
let it ride.....
I gotta let it ride, let it ride
Thats the only thing that I can do

[Verse #2]

Maybe I jumped in too fast

Should've took my time
But I was so excited that you wanted to be mine
Girl I been straight with you
Never played no games, stayed true
Even when my boys said that I was a fool

[Bridge]

A lie don't care who tell it baby
All this time I thought you was my lady

I try to be without you but it drives me crazy
The only thing that I can do

[Chorus]

I gotta let it ride, let it ride
let it ride.....
I gotta let it ride, let it ride
let it ride
Thats the only thing that I can do
[repeat]

[Bridge]

A lie don't care who tell it baby
All this time I thought you was my lady
I try to be without you but it drives me crazy
The only thing that I can do

[repeat chorus]
