Have you ever had it bad for yo ex-friend?
Ya'll break up but still ya'll be sexin'
It's like you love her and you hate her at the same time
Chemistry's missing but the sex game blows yo mind
You blow her spine, make her scream out ahhhhhhhh
She rocks them booty shorts on purpose tryna make
me wild out
Damn it's crazy how she makes a brother feel
Guess I need a doctor cause shawty's tha real deal

[Chorus:]

Love hate sex, love hate sex
Knowing that I can't stand her but her lovin's way past
anything
Love hate sex, love hate sex
Knowing that I don't want her but her love taking me
under like
Down, down I go oooooooooooooo
Instant replay like like like, like like like
Down, down I go oooooooooooooo

[Verse 2:]

We grinding with passion, she's bitin on me
Screaming n scratchin, feels like we're fightin
And I go deeper, deeper tryna make you tap out

Girl open wide wide because your body's mine.
Ahhhhhhhh ahhhhhhhh
I love her and I hate this girl at tha same time
We makin'

[Chorus]

Love hate sex, love hate sex
Knowing that I can't stand her but her lovin's way past
