(Verse)

Baby love, here am I answer if you hear me  
Cause baby I'm going down,down,down,down  
For every time I made you cry  
Trust, I didn't mean it  
I'm trapped and I can't find my way out!

(Pre-Chorus)

I'm like a bird that can't fly  
An angel who's lost its wings  
Girl, without you I'll die  
You love me so I hope I hear my man cry!  
Oh, oh, oh  
Girl, you made this man cry!  
Oh, oh, oh

(Chorus)

Baby, I'm begging, baby, I'm begging, begging,  
begging  
For you to come back to me, Shawty come back to me  
Hope you hear my man cry!

(Verse)

These four walls driving me crazy  
I'm tired of sleeping alone, alone, alone  
You were supposed to have my baby  
This house is no longer home!

(Pre-Chorus)

I'm like a bird that can't fly  
An angel who's lost its wings  
Girl, without you I'll die  
You love me so I hope I hear my man cry!  
Oh, oh, oh  
Girl, you made this man cry!  
Oh, oh, oh

(Chorus)

Baby, I'm begging, baby, I'm begging, begging,  
begging  
For you to come back to me, Shawty come back to me

Hope you hear my man cry!

(Bridge)

I want you, I need you  
Girl, let me fix all my mistakes!  
Cause these tears keep falling  
My hands keep shaking  
My heart keeps calling  
While my world keeps quaking  
Girl, please take this pain away  
I hope you hear my man cry  
Girl, you made this man cry  
Oh baby!

(Chorus)

Baby, I'm begging, baby, I'm begging, begging,  
begging  
For you to come back to me, Shawty come back to me  
Hope you hear my man cry!  
Girl, you made this man cry!  
Girl, you made this man cry!
