(Verse)

As I pour this glass of wine  
I hope it helped me express these thoughts of mine  
I don't think I've ever felt the way I felt for you, girl  
So I'm turning these lights down  
And I'm telling you right now

(Verse)

Beating hearts I see  
I want you to be my only  
Put your trust in me  
Don't want your body  
I want your love, but

(Chorus)

I don't think I've ever  
Ever really told you  
How much I need you  
Girl I need you more  
Than my next breath  
Never would I ever leave you  
'Cause darling I need you  
Girl I need you more  
Than the next breath I breathe  
I see girl, aw yeah

(Verse)

I'm sorry for the times that I stressed you out  
And I'm thankful for the times you ain't put me out your  
house  
I feel in love more than once but  
Every single time, it was with you girl  
Ah-ah-ah-oh-oh-oh-oh

(Chorus)

I don't think I've ever  
Ever really told you  
How much I need you  
Girl I need you more  
Than my next breath  
Never would I ever leave you

'Cause darling I need you  
Girl I need you more  
Than the next breath I breathe

(Verse)

This is the part where we slow it down  
Make love to your mind it's ok you can think of love  
Think about love as you want it girl  
It's 4 in the morning and I'm pouring out my heart girl  
So much to say I don't know where to start girl

(Chorus x2)

I don't think I ever  
Ever really told you  
How much I need you  
Girl I need you more  
Than my next breath  
Never would I ever leave you  
'Cause darling I need you  
Girl I need you more  
Than the next breath I breathe
