[verse 1]

The birds are chirping its the morning after
Its the sleep I'm caught up in the rapture
Admiring your beauty
Damn you such a cutie
Vicki secret lingerie look out that booty
Replaying last night all in my mind
How bout I kiss you there you rub my hair just right
Damn baby I really wanna get it up get it up beat it up
one more time

[chorus]

So many things to do
Wake up for round 2 girl
Round round round round
Round 2
Round round round round
Round 2
Round round round round

So many things to do
Wake up for round 2 girl
Round round round round
Round 2
Round round round round
Round 2
Round round round round

So many things to do
Wake up for round 2 girl

[verse 2]

Baby girl I love your sexy fragrance
The way you move has got me in amazement
I'm in a daze
I like purple haze
And I don't wanna come down down yea
Your water pockets like a perfect fountain
Its wet and wild don't save me but I'm drowning
In your love all my love
I love the way that you feel when I'm in you round 2

[chorus]
Round round round round

So many things to do
Wake up for round 2 girl

Round round round round
So many things to do
Wake up for round 2 girl
