(Verse)

Gave my all to you
Was it not good enough, good enough
You love me, you love me not
Baby I'm confused
Sometimes you kiss me, sometimes you don't
Sometimes you hold me, sometimes you won't
I wanna be through with you

(Pre-Chorus)

Baby I hate it we're always debating
Your heart is gated ,opened up
I won't forsake you, no I won't break you
Damn it I made you, what the fuck

(Chorus)

I'm unappreciated, ohh
Girl I'm unappreciated, unappreciated
Unappreciated

(Verse)

When it rains ,the pause
So this pain I endure
My heart is breaking oh
My feet off the ground words lost now I found
I might so lately

(Pre-Chorus)

Baby I hate it we're always debating
Your heart is gated ,opened up
I won't forsake you, no I won't break you
Damn it I made you, what the fuck

(Chorus x2)

I'm unappreciated, ohh
Girl I'm unappreciated, unappreciated
Unappreciated

(Outro)

They say time is of the essence
No man could buy it

So to express my love to you
I provided the,ever so delicate
I thought you were heaven sent
heart and grave the memories of what used to be
But as I reflect and recollect I was blinded by the
thought of what you could be
Not who you are,
So the demise of us everything but that
For we never started dearly departed
Use me, abuse me, but I love you
Beautiful music
