You and me, girl, we can do the thang
You and me, girl, we can do the thang
You and me, girl, we can do the thang
We can do the thang, we can do the thang

I know she like me, I kinda dig it
So I did my thang for her, she joining wit' me
Now we getting groovy, hotter than jacuzzi
So, shorty, won't you slow it down

I see them other fellas and I ain't hating
They try to do it like me, it ain't the same
Front to back, shorty, side to side and lean wit' it
You wit' a solja now

'Cuz you so fly, girl
You should come to my crib
But he gonna flip
If he know you were here

(You should be my girl, girl, girl, girl)
You and me, girl, we can do the thang
You and me, girl, we can do the thang
You and me, girl, we can do the thang
We can do the thang, we can do the thang

(You should be my girl, girl, girl, girl)
You and me, girl, we can do the thang
You and me, girl, we can do the thang
You and me, girl, we can do the thang
We can do the thang, we can do the thang

It's all over town and we be gettin' to it
If that's the business, we should keep on doing it
Ooh, you so grown wit' it, you betta gone wit' it
I love the way you break it down

I gotta Jones for you, all in my bones for you
Waking up three o'clock in the money for you
I neva sweat you, baby
But if you let me, baby, know that I'ma put it down

'Cuz you so fly, girl
You should come to my crib
But he gonna flip
If he know you were here

(You should be my girl, girl, girl, girl)
You and me, girl, we can do the thang
You and me, girl, we can do the thang
You and me, girl, we can do the thang
We can do the thang, we can do the thang

(You should be my girl, girl, girl, girl)
You and me, girl, we can do the thang
You and me, girl, we can do the thang
You and me, girl, we can do the thang

Young Bloodz, Sean Paul

You on me, girl, we could do the thang
Put you in the Chevy, let you grip wood grain
Put you in the range wit' some apple bottom jeans
House of Deron and some Chanel frames

Got you on the celly, got you calling Charmane
Got you riding good, got you popping champagne
Got you riding dirty, got you throwing up the A's
Got ya lil' niece calling Sammie all day

Chirping on my Nextel, on my two way
Sending cute messages about dat face
Said you was grown told me dat you didn't play
And every since then it's been all like A

You and me, girl, we could do the thang
Tell them who yo man, tell 'em why you blangalang
Tell 'em that your good, tell 'em that it ain't the same
Tell 'em Sean Paul told you money ain't a thang

'Cuz you so fly, girl
You should come to my crib
But he gonna flip
If he know you were here

(You should be my girl, girl, girl, girl)
You and me, girl, we can do the thang
You and me, girl, we can do the thang
You and me, girl, we can do the thang
We can do the thang, we can do the thang

(You should be my girl, girl, girl, girl)
You and me, girl, we can do the thang

You and me, girl, we can do the thang
You and me, girl, we can do the thang
We can do the thang, we can do the thang

Ladies and gentlemen
Ladies and gentlemen for you
You are now tuned in to the very best
Jazze Phizzle, my man Sammie
We right back at you, baby, Sean Paul

And lean wit' it, now snap
And lean wit' it, now snap
And lean wit' it, now snap
Now snap, now snap
