Can't find my eyes
They're lost inside your mind
But I'm still trying
Can you be the light
That guides me home at night
I'm only asking
Cuz' I don't expect
I don't regret baby

You say something
I hear whoa, oh, oh, oh
Still dreaming like I am in control
Sleepless nights
I'm drowning in your tireless eyes
Can you tell me something that isn't
No, oh, oh

All these times I've tried
To win you over
I'm longing for your attention
Countless times I've cried
Cuz' you won't lose your pride
I'm always Honest
You only say maybe

You say something
I hear whoa, oh, oh, oh
Still dreaming like I am in control
Sleepless nights
I'm drowning in your tireless eyes
Can you tell me something that isn't
No, oh, oh

God only knows the way you love me
I can only hope
God only knows the way you love me
Whoa, oh, oh, oh
Whoa, oh, oh, oh

You say something
I hear whoa, oh, oh, oh

Still dreaming like I am in control
Sleepless nights
I'm drowning in your tireless eyes
Can you tell me something that isn't
No, oh, oh

God only knows the way you love me
I can only hope
God only knows the way you love me
Whoa, oh, oh, oh
Whoa, oh, oh, oh
