I hold your dress, your dress is blue  
I'm a coin that fell into the sea  
Now stumbling around, I'm lost from view  
Do you know what became of me

He can see with his eyes closed  
He'll leave you something to remember him by  
Valentine said no way out  
No way out and no goodbye

Now you're finally at my mercy  
Now you're at my beck and call  
You were born with just one kiss  
That's all it took

He comes to this bar, he gets desperate  
He's been shot and killed by love  
Sits at the bar thinks about all those angels in heaven  
And offer him to the overpass above

I hold your dress, your dress is blue  
I am a coin that fell into the sea  
Stumbling around but now I'm lost from view  
On the losing side of eternity

Now you're finally at my mercy  
Now you're at my beck and call  
You were born with just one kiss  
That's all it took
