[Originally by Black Flag]

Right here, all by myself.
I ain't got no one else.
The situation is bleeding me.
There's no relief for a person like me.
Depression's got a hold of me.
Depression, i gotta break free.
Depression's got a hold on me.
Depression's gonna kill me.
I ain't got no friends to call my own.
I just sit here all alone.
There's no girls that want to touch me.
I don't need your goddamn sympathy.
Depression's got a hold of me.
Depression, i gotta break free.
Depression's got a hold on me.
Depression's gonna kill me.
Everybody just get away.
I'm gonna boil over inside today.
They say things are gonna get better.
All i know is they fuckin' better.
Depression's got a hold of me.
Depression, i gotta break free.
Depression's got a hold on me.
Depression's gonna kill me.
Depression's got a hold of me.
Depression, i gotta break free.
Depression's got a hold on me.
Depression's gonna kill me.
