your lies , built the walls around me that have trapped
me in

your lies built the walls that have trapped me in for
years,
and i wish you would just disappear
ill keep choking you and ill never let you go
cause your life it just means nothing to me
ill keep choking you till I'm satisfied

why, cant you keep eyes off of me,
why cant you keep your eyes off of me ,
why cant you keep your eyes off of me

I'm not another pawn in your game I'm not some pawn
in your game, I'm not some pawn in your game

I'm, not

I've seen these blood stains on this floor,
And i cant take this anymore
so line my throat with your lipstick
and leave my blood for the flies
ill gurgle the blues under a sear of your lies!!!!

well ill gurgle the blues under a sea of your!!!!

LIES

under a sea of your!!!!

LIES

x3

well why, cant you keep eyes off of me,
why cant you keep your eyes off of me ,
why cant you keep your eyes off of me

I'm not another pawn in your game I'm not some pawn
in your game, I'm not some pawn in your game

I'm, not

well how, do you get right under my skin,
i cant believe all the pain that I'm in,
I can't believe all the pain that I'm inx6
