Go to the prom
I look around
I see you there
I wonder how you're doing now
Ain't got the time
To chase the past
We've got tonight
So now we gotta make it last

Hey babe don't wait to make your move
Hey babe We've got nothing to lose
Hey babe remember there's no loving like mine

Crazy by your side
So let's get a little while
Take me for a ride
I will make it worth your while
I don't care cause me and you;

We got some catchin' up to do (x2)

So catch your breathe
'Cause we ain't done
We're gonna go till we see the rising sun
I wanna be your one true love
We'll start tonight and give it everything we've got

Hey babe I don't mean to be cruel
Hey babe don't wanna break the mood
Hey babe remember when you used to be mine

Crazy by your side
So let's get a little while
Take me for a ride
I will make it worth your while
I don't care cause me and you;

We got some catchin' up to do (x2)

There's no use bein' lonely

Don't be scared

We'll be there all our lives

All our lives

Crazy by your side

So let's get a little while

Take me for a ride

Crazy by your side

Take me for a ride

I don't care 'cause me and you

We got some catchin' up to do
