Earthbound, my heart was Earthbound
Til I looked into your eyes

I found my heart was Earthbound
Til you took it to the skies

I felt your arms around me
And I was safe and warm in your embrace
Suddenly, the change that bound me
Were gone and I was soaring into space

I thought happiness missed me
But you changed my world around

Yes, I was Earthbound
Until you first kissed me
And then in your arms
I became Heavenbound

(I thought happiness missed me
But you changed my world around)

Yes, I was Earthbound
Until you first kissed me
And then in your arms
I became Heavenbound
