Hey, wouldn't it be nice
To make a people tree
The likes of you
The likes of me

We can do it very easily
We barely even have to try
Let a little time go by
And pretty soon before we know it
(Soon before we know it)

Suddenly, the two of us
Are one, two, three
And there we see our people tree

As other little branches grow
(Other little branches grow)
That's the way it's meant to go
And there's no way I know to slow it
(There's no way to slow it)

(What a source of mutual satisfaction
When we see the tree bear fruit)
Evidence beyond dispute
Of all our mutual attraction
(Mutual attraction)

Nothing is as lovely as a people tree
I think that we (I think that we)
Would all agree (would all agree)

Of all the miracles that God created
Rated number one would have
To be the people tree

(What a source of mutual satisfaction
When we see the tree bear fruit)
Evidence beyond dispute
Of all this mutual attraction
(Mutual attraction)

Nothing is as lovely as a people tree
I think that we would all agree
Of all the miracles that God created
Rated number one would have
To be the people tree

The people tree (the people tree)
The people tree (the people tree)
The people tree (the people tree)...
