If you get lonely on your daddy's farm  
Just remember I don't live too far  
And there's a red bridge that arcs the bay, yes  
You'll be at my place in less than a day

So get on your bad motor scooter and ride  
Up over to my place and stay all night, oh, yeah  
The first thing in the morning we'll be feeling all right  
All right, all right, all right  
I'll get on your bad motor scooter and ride

Ooh, the last time I seen your face  
Swore that no one would take your place  
Now since you've been gone I've been feelin' bad, yeah  
I'd come out to your place, I'm afraid of your dad

So you, you get on your bad motor scooter and ride  
Up over to my place and stay all night, oh, yeah  
The first thing in the morning we'll be feeling all right  
All right, all right, all right, all right  
Get on your bad motor scooter and ride

Ride, ride, ride  
Come on baby, ooh yeah  
Crank it on up

Get on your bad motor scooter and ride  
Up over to my place and stay all night, yeah  
The first thing in the morning we'll be feeling all right  
All right, all right, all right, all right  
Get on your bad motor scooter

Get on your bad motor scooter  
Get on your bad motor scooter and ride
