Oh, yeah! uh!
See that face, so bright and new
He'll burn it down, that's what he'll do
The man is mad, he lost his head
He'll paint this whole town red, oh yeah
Let's get it right
Rock rockin ball break art for art sake, oh, yeah
The midnight shift from two til five
Workin hard to stay alive
Can't slow down, can't stop
Stay on the move to keep on top, oh, yeah
Let's get it right now
Rock rockin ball break art for art sake, yeah
Break rockin ball rap, gettin up is where it's at
C'mon now
Burnin' down the city
Yeah, let's get it right
Burnin' down the city
Yea, let's strike tonight
Every night he rocks this place
He balls the best, but never shows his face, oh, no
Balls walls, burns a truck
Balls a trian, don't give a fuck, no, no
One more time
Rock rockin ball break art for art sake, oh, yeah. get it
Break rockin ball rap, gettin up is where it's at, yeah,
that's right

One more time, now
Burnin' down the city
Yeah, let's do it right
Burnin' down the city
Yea, let's strike tonight
Hey!
Pick it up, pick it up, pick it up
Hey! uh!
Break rockin ball rap, gettin up is where it's at, yeah!
Come on now
Burnin' down the city
Yeah, let's do it right
Burnin' down the city
Yea, let's strike tonight

Oh, yeah, come on
And burnin' down the city
Let's do it right...
Hey
Burnin' down the city, hey...
Let's strike tonight
C'mon let's get it right
Let's get it right
Let's get it, get it, burn it
Let's do it right, hey
Burn it, burn it down, down, down, down, down, down,
down, down
Let's strike tonight, uh!
Let's do it right, get it, get it, get it, get it
Let's strike tonight
Let's do it right
