You lay by my side in the still of the night
Let morning bring forth, all that's wondrous, wondrous
to light
You could have made it, made it more plain
When I hear that, hear that soft refrain and I hear you
gently sigh

I wanna take you where flamingoes fly
(Flamingoes fly)
Way over yonder in the clear blue sky
That's where flamingoes fly

As we lie in the dark and hear the sweet song of the
nightingale
And we listen for the lark and I wanna tell you babe
Tell you a tale, with the soft wind blowin', blowin'
outside
Hey I wanna take that moonlight ride and I hear you
gently sigh, babe

I wanna take you where flamingoes fly
(Flamingoes fly)
Way over yonder in the clear blue sky
That's where flamingoes fly

And I'm silently waiting for that morning light to shine
And I'm looking at you, lookin at me and I'm lookin' at
you
And I'm anticipating with each and every sign
Yes, I'm lookin' at you, lookin' at me
Lookin' at you, lookin' at me, lookin' back at you

And I'm findin' that road
That road that will take me, take me back home to you,
baby
And I'll carry the load where the deer and angels roam
Where happiness touches, touches the now
I don't where it came from, I don't how
And I and I hear you gently sigh, babe

I wanna take you where flamingoes fly
(Flamingoes fly)

Way over yonder in the clear blue sky
That's where flamingoes fly

I wanna take you where flamingoes fly
(Flamingoes fly)
Way over yonder in the clear blue sky
That's where flamingoes fly
