HEY!

Well this one way love-affair, it ain't fair

It ain't no kind of fair to me

It's all give and take, and you just take

And I can't take it, you see

And I'm givin' up on love this time

Me and my friends, we'll do just fine

Because

{Chorus}

I've done everything for you

You've done nothin' for me

I've done everything for you

But baby, you've done nuthin' for me

She's done nuthin' for me

Well you need some pay, a whole lotta money

And be a millionaire

Yeah but when that didn't happen overnight

I found out how much you really care

(yeah)

All you want, is a whole lotta money

All the rest, is just "jivin" honey

I've done everything for you

Aw, you've done nothin' for me

I've done everything for you

Everything, But nuthin' for me

(You) you've done nuthin' for me

Wait a minute.....

When I first met you, you didn't know how to hook a man

Ya done nuthin'

There was so many things, about makin' love you didn't understand

Ya done nuthin'

Ya but now you know, about everything

And I'll take you on a pair of wings

I've done everything for you

Aw baby, you've done nuthin' for me

I've done everything for you

I've done everything for you, you've done nothing for me

Now

I'm going out on the town tonight, and get as wild as I
can be
I'm gonna find out what it's really like, to be loose, high
and free
Yeah I don't care what people say,
I'll change my mind, it's gonna change this day
I've done everything for you,
Just one thing, something, anything
I've done everything for you
Nothin', you, you've done nuthin' for me,
You've done nuthin' for me
HEY! You've done nuthin', (OW) you've done nuthin'
You've done nuthin' for me
NOTHIN', ZERO!.....
