I can't close my eyes

Feelin' what I see

I turn away

But still can see

I can't change the world
But I can change my mind
It's not enough
It's not enough

Color your thoughts
Color your speech
Bury your head deep in a sleep
Harden your shell

Head in a hole

And it's haunting me
It's changin me

Seems so unreal
This karma wheel
Run from your feelings
Head in a hole
Mind filled with power

Out of control
Edge of depression
Broken the seal

No need for compression

Roll the karma wheel
Nothing can heal

Roll that karma wheel
Roll that karma wheel

Roll that karma wheel

Yeah, that karma wheel
Roll with it

Out of control
Head's in a hole

Roll that karma wheel
Mind filled with power
