Hey

You can make it alright

With a hint of a smile  
If I could just let you know  
With a wink of an eye

My heart's in your hands

Go carefully  
Not lettin go  
Still holdin on

You can make it alright

Hey, Yeah

You can make it alright

Yeah, yeah, yeah

You can make it alright  
Oh, yeah

You can make it alright  
Yeah, yeah, yeah

You can make it alright  
Faith  
So rusty and cold  
When a promise is made  
Just hangin bare

On the shoulders of time

Crushin the will

Close to the line

But still holdin on  
Not lettin go

You can make it alright

Hey, yeah  
You can make it alright  
You can make it alright  
Yeah, yeah, yeah

Oh, yeah, yeah

You can make it alright

Yeah, yeah, yeah

You can make it alright

You can make it alright  
Hey, Yeah  
Yeah, yeah, yeah  
You can make it alright  
You can make it alright

Oh, yeah

You can make it alright

Yeah, yeah, yeah

You can make it alright

You can make it alright  
You can make it alright  
Oh, yeah  
You can make it alright
