I wanna know, who's the boss around there
Somebody, better step up now, and make this all clear
They run your life, with indecision
I would appreciate a little precision
But all I get is Mommy sayin' ask your Daddy says ask
your Mom
Well I
Hang up the phone, said I'll be right there
Then I
Pull up front to find that we ain't going no where
(No where)
Looks like somebody can't make up their mind
I gotta half a tank of gas, and all that I find is
Uh!
Momma says ask your Daddy says ask your Mom
Now you've been walkin' the line
All of this time, they don't know what your thinkin'
You got it all down, next time around
You've been doin' what you like
Partyin' all night, playin' your records til the early early
mornin' light
(OW!)
That's right
WHOO!
Naaaaa-Naaaaa
Naaaaa-Naaaaa
Naaaaa-Naaaaa
Naaaaa-Naaaaa
Alright
Well, they don't like me now cause I'm hip to their
game
But just 1 more year, and they'll have no one to blame
Cause baby you can come live with me, it ain't no life of
luxury
But your Momma said ask your Daddy said ask your
Mom
There'll be no more Momma said ask your Daddy said
ask your Mom
I'm sick of that!
Sick of that!
Momma said ask your Daddy said ask your Mom
There's just no decisions

Just Momma said ask your Daddy said ask your Mom
OW!
