Watch out, standing in the road ahead  
She got long blonde hair, all dressed in red  
Yea, now I'm all alone but there's a room for three  
Is she lookin' good? Soon enough I'll see, come here

Sweet hitchhiker, I love you so  
Sweet hitchhiker, I dig your clothes  
Sweet hitchhiker, honey I need to know  
Sweet hitchhiker, come on, come on, come on let's take  
a ride

I'll pull ya baby like I got ten wheel drive  
I'm gonna thrill ya 'til ya wanna eat me alive  
We'll take a ride down south for a short trip  
Come on don't just stand there baby  
With your hand on your hip, come over here

Sweet hitchhiker, 'cause I love you so  
Sweet hitchhiker, I sure dig your clothes  
Sweet hitchhiker, honey I need to know  
Sweet hitchhiker, come on, come on, come on let's take  
a ride

I ain't no convict, no I ain't no rapist  
I maybe a little but crazy  
But I'm not insane, not insane, no no, oh

Blaupunkt blastin' my favorite song  
Sun's shining down hot and strong  
Yea, why don't you drive, baby here's the key?  
Just slide on in Momma this one's on me, over here, yes

Sweet hitchhiker, yea I just love you so  
Sweet hitchhiker, yea and I love your clothes too  
Sweet hitchhiker, Momma I need to know  
Sweet hitchhiker, yea come on, come on

Sweet hitchhiker  
Sweet hitchhiker, oh yea, yea baby  
Sweet hitchhiker, take this yea  
Sweet hitchhiker, come on, come on, come on  
Sweet hitchhiker, come on, come on, come on
