There's Only 1 Way to Rock" as recorded by

Sammy Hagar

I heard it called by different names

All over the world But it's all the same

Now there's so many ways to make love

A million ways I been thinking of

CHORUS 1:

But there's only 1 way There's only 1 way to rock

How many things can get you high

I'm gonna try 'em all just once before I die

And you can analyze this situation

To me it's all just mental masterbation

CHORUS 2:

There's only 1 way There's only 1 way to rock

There's only 1 way There's only 1 way to rock

Now quickly Check the hands on the clock

It's 8:05 It's time to rock

This world can disagree They don't understand How it can be

And it's not my point of view It's a fact

And you know that it's true

CHORUS 2:

Crank up the drums Crank up the bass

Crank up the Les Paul In your face

There's only 1 way There's only 1 way to rock

There's only 1 way There's only 1 way

There's only 1 way----To rock

To rock To rock One way to rock
