I stay up till dawn
But God knows I want to close my eyes
I'll have another smoke
To relax myself, it's just another try

And I can see to the end
But it hurts, it's so far away, hey
Stuck behind time
Alone with another day, ooh yeah, yeah

Thinking of you
Baby, I'm thinking of you

What color am I?
I don't really know, I've changed so much, yeah
And I don't usually cry
But I feel so out of touch

Oh, well, I can see to the end
But it hurts, it's so far away
Stuck behind time
Alone with another day, ooh yeah

Thinking of you
Thinking of you
Thinking of you

I've been thinking, baby
Thinking of you
Yeah, all night long
Thinking of you

Of you, ooh yeah baby, I've been, I've been
Thinking of you
Thinking, thinking of you, yeah
Thinking of you
